

Financial Literacy Programs for Schools & Organizations

THE GAP WE FILL

Across schools, libraries, and community programs, financial literacy is often missing. This is not from a lack of interest, but typically from lack of time, staff, or curriculum. Claim It Financials brings a dedicated instructor directly to your students or members.

WHY CHOOSE US

- ✓ Curriculum aligned with educational standards
- ✓ We do the teaching, and your staff can sit back and enjoy
- ✓ Engaging, play-based learning
- ✓ Measurable, reportable outcomes
- ✓ Flexible scheduling to fit any calendar
- ✓ Founded by a Corporate Finance expert turned youth educator

CLAIM IT FRAMEWORK

CONFIDENCE - Positive money mindsets from day one

LEARN - Age appropriate concepts that actually stick

ACT - Hands-on practice with real scenarios

INVEST - Future thinking that youth understand

MULTIPLY - Smart habits that grow over time
